Computer protection in any setting

new

LCD/CRT Mobile Computer Security Cabinet

Protect your computer from just about anything. Period.

Think of it as a fortress for a computer, monitor and printer. Heavy-duty steel construction with all locking compartments and see-through monitor panel. Put a computer in any setting and keep it clean, safe, secure and mobile. Upper compartment has clear acrylic window and mounting bracket for monitor. Pull-out compartment secures mouse and keyboard. Lower compartment features adjustable pull-out shelf for printer and bottom shelf for paper and supplies. 🖨️ 🖱️

Additional features:

- Welded heavy-duty steel construction
- Locking full rear door includes ventilation holes and 2" grommet for cables
- Four 5" swivel casters, two locking
- Manufacturer's five-year limited warranty
